FRUIT ROLL
PRODUCT CATALOGUE

csinta FRUIT ROLL

is a pure fruit snack that brings liveliness
to everyday life and adds colour to shared adventures.
A natural energy boost for every day of the week.

100% fruit and nothing else

Fruit roll with a twist

A snack, a light dessert to take on a hike, a delight in children's lunch boxes or a quick, healthy and energizing bite at work! Made of nothing, but fruits sourced from farms from Hungary and Europe, dried at low temperature in order to preserve the most vitamins and natural flavors.

Made of 100% fruit without added sugar, preservatives or any other additives in flavors varying from luscious apple, strawberry, apricot, plum, raspberry pear, peach, sour cherry and sea buckthorn to spicy ginger-apple rolls, enjoyed by young children and adults alike!

apple
FRUIT ROLL

Made of apple and nothing else.

The favorite of smaller children preferring a less intense yet sweet taste.

Banana
Fruit Roll

Made of banana, apple and nothing else. Naturally sweet and mellow – a great choice for children.

ginger FRUIT ROLL

Made of apple, ginger, freshly squeezed lemon juice, freshly ground spices and nothing else. The favorite of the lovers of spicy flavors. Besides the intense spicy nature, one can enjoy the beneficial effects of lemon, cinnamon and ginger at once!

mango FRUIT ROLL

Made of mango, apple and nothing else – smooth, naturally sweet and deliciously tropical.

Strawberry
FRUIT ROLL

Made of strawberry, apple and nothing else.

Another top choice of the little ones!

SOUR CHERRY FRUIT ROLL

Made of sour cherry, apple and nothing else.
A true favorite of younger and older generations alike. It is dedicated to those preferring rather intense, sour flavors.

Sea Buckthorn Fruit Roll

Made of sea buckthorn, apple and nothing else.

It is a special choice with a bit of a tangy flavor full of the goodness of this superfood ingredient.

PEACH FRUIT ROLL

Made of peach, apple and nothing else.

Smooth and sweet.

Csinta
FRUIT ROLL
5 pack
flavour varieties

Csinta Fruit roll available in 5 pack flavor varieties also to surprise you with a new taste each day in your daily routine.
You can choose between a mix pack of the milder, sweeter taste that is usually most adored by little ones or, a more tangy, sour, spicy organic combination.

It is also available in 5 packs of single flavors so our customers can have more of what they like.

About us

We are devoted to producing the best quality fruit snack on the market. Using an artisan method and drying at low temperature enables us to preserve all the natural aromas and nutrients of our ingredients. Our selection is based on locally sourced, organic fruits.

We strive to be in harmony with nature and each other in all aspects of our production to enjoy the liveliness within and around us.

Our company's dedication lays in high standards of

QUALITY

By our endeavor to produce the best quality fruit snack, our intent is to add our little bite to the wellbeing and happiness of our planet.

SUSTAINABILITY

by working with local suppliers and continuously experimenting, to find more ecological ways of packaging.

COMMUNITY

because appreciation and respect for each other within our company and with our partners is a basic value for us and we believe it can be tasted in our products as well.

Our business is open to new partnerships and cooperation worldwide; we are looking forward to create new long-term connections including the option for private label agreements!
