csinta FRUIT ROLL

Csinta Fruit Roll is an Organic pure fruit snack that brings liveliness to everyday life and adds colour to shared adventures. A natural VEGAN energy boost for every day of the week. 100% fruit and nothing else, no sugar added and absolutely no additives.

Kids love Csinta because:

- It's bursting with fruit flavor.
- It's chewable, foldable, tearable.
- Food that's also a playful adventure.
- It's simply... super cool!

Parents trust Csinta because:

- It's 100% pure, unadulterated fruit.
- It's free from added sugar, pectin or any additives.
- It's an eco-friendly product with recyclable packaging.
- ... and kids love it!

Conscious consumers love it because:

- It's vegan.
- It's satisfaction with no added sugar.
- It's a convenient, light snack.
- It's a fiber-packed energy boost with eco-friendly vibes. But mostly because it's amazingly tasty!

Our partners value Csinta because:

- It's a high-impulse product with attractive profit margins.
- Its compact packaging and size maximize shelf space.
- A diverse range allows for optimal and unique product listings.
- It caters to those following sugar-free, gluten-free, and lactose-free diets.
- ... and families love them!

Using an artisan method and drying at low temperature enables us to preserve all the natural aromas and nutrients of our ingredients. Our selection is based on organic fruits, either exotic or locally sourced.
